Folks,

I wanted to share a great video by a Messianic Jew by the name of Rabbi Schneider. In this video he shares the Jewish tradition of Passover and what it means and represents and how it ties into the last supper Jesus had with his disciples as well as Jesus being the sacrificed lamb represented in the Passover.

Debbie, Clay, Stefan and I read Exodus 12:1-12 and then watched the video to help us understand better the Jewish tradition of Passover and the impact that sacrifice had on that family for over 3,500 years, which is how long Passover has been celebrated. I took part in my first Seder service on Friday night and the impact of that and then the watching of this video has really helped me understand this on a deeper level and revealed things that I had over looked in the past or not connected.

You may already know all about this, but if not I think it will be really beneficial. I know it was for me and pray it was for my family and Stefan as well. If you get a chance I suggest watching it with your family so they to will learn and appreciate more of the Jewish roots of our Lord and Savior Jesus Christ!

HE IS RISEN! Happy Easter!
David
